

General Kitchen Guidelines

St Johns Church-Youth Centre

- The overall function of the kitchen is for the serving of light refreshments only.
- Before commencing any food handling, please wash your hands. Use disposable hand towels for drying.
- Be mindful that all foods must be stored in a sealed container and where necessary kept in the fridge.
- Any floor spillages must be dealt with promptly and hygienically – there is a mop and bucket available in the cupboard in the entrance lobby.
- For simple spillages and washing up, use disposable cloths and destroy after use.
- Ensure that all work surfaces are wiped down at the end of any food serving occasion.
